Your included meal guide:

B = Breakfast, L = Lunch, D = Dinner

DAY 1: UK to Rio de Janeiro

Depart London on your scheduled, overnight flight to Rio de Janeiro, via São Paulo.

DAY 2: Rio de Janeiro

On arrival, you will be met by your local guide and transferred to your hotel. The rest of the day is at leisure to settle in and relax.

DAY 3: Rio de Janeiro B

Spend the morning on a half day tour of the city including a visit to Sugarloaf Mountain, a natural peak situated on a peninsula at the mouth of a bay, and one of Rio's most famous icons. Take a ride in a cable car to the 394 metre summit for breathtaking views over the surrounding beaches and bays including the well-known Copacabana Beach. Enjoy the rest of the day as free time to further explore this beautiful city and perhaps stop to try some 'açaí', a local deliciously healthy fruit, at one of the city's thousands of juice bars found on every corner you turn.

DAY 4: Rio de Janeiro B

This morning's tour takes you to Corcovado Mountain in Tijuca Forest, site of the magnificent Christ the Redeemer statue. Considered to be the largest art deco statue in the world, the impressive figure standing 30 metres tall and arms stretching 28 metres wide, is a symbol of Brazilian Christianity overlooking the city. The afternoon is at leisure, you may choose to take a stroll along Ipanema beach or explore the beautiful Botanical Gardens.

DAY 5: Rio de Janeiro & Iguazu B

The morning is free before you take your flight to the Brazilian side of the Iguazu Falls. We suggest you take a trip to Santa Teresa, a bohemian neighbourhood where the Portuguese Royal Family used to reside in the eighteenth century. On arrival in Iguazu, you will be transferred to your hotel where you will spend the night.

DAY 6: Iguazu Argentinian Side B

Declared a UNESCO World Heritage Site in 1984, Iguazu National Park is home to incredible waterfalls with 275 jumps of water falling from an average height of 70 metres. On today's tour you will explore the routes of the Upper Circuit, Lower Circuit and Devil's Throat. The Lower Circuit is a trail of just under one mile and allows you to get closer to some of the smaller waterfalls. From the Upper Circuit you will be able to enjoy stunning panoramic views and the top of the majestic falls. The infamous Devil's Throat is where the largest volume of water descends and from the catwalk here you will really be able to feel the intensity of the almighty thunder.

DAY 7: Iguazu & Buenos Aires B

This morning, cross back into Brazil to see this side of Iguazu National Park. Take in the amazing views of San Martin Island and three of the most impressive jumps of the falls before getting to a further viewpoint with a perfect view of the Devil's Throat just 150 metres away. In the afternoon you will transfer to the airport in order to catch your flight to Buenos Aires where you will be met and taken to your hotel.

DAY 8: Buenos Aires B

Today's morning tour of the city starts in the historic Plaza de Mayo, the site of the 1810 revolution and now a hub of political life. From here you will see the Casa Rosada government palace and its famous balcony where Eva Peron used to address the people. Later you will reach the picturesque and colourful neighbourhood of La Boca with its famous street 'Caminito' whose architecture reflects the European influence of the late 19th century. After this, head to the modern Palermo neighbourhood with its elegant residences, finally reaching the district of Recoleta, the most sophisticated neighbourhood in Buenos Aires. Enjoy the afternoon at leisure; perhaps see a Tango show which your guide will be able to organise for you at an additional cost.

DAY 9: Buenos Aires B

Enjoy a day at leisure to take in the city at your own pace. We recommend a visit to the Malba Museum to learn about Latin America arts or a drink at one of the vibrant bars in Plaza Serrano - ask for an 'alfajores', a soft delicate cookie filled with dulce de leche.

DAY 10: Buenos Aires to the UK or Extension B

Transfer from your hotel to Buenos Aires Airport in time for your flight back to the UK, via São Paulo or continue on to your chosen extension.

WHAT YOU NEED FOR YOUR TOUR

Visas

UK passport holders are not currently required to obtain a visa prior to travel for either countries. This will be granted on arrival for stays of up to 90 days. Further advice should be sought from the applicable tourist authority for other nationalities and for general queries. We strongly advise you to check with your destinations' tourist board or embassy for the most up to date guidelines regarding the required passport validity.

Insurance

We strongly recommend that you and all members of your party are suitably insured as soon as you book your holiday. It is a condition of booking that you must have suitable travel insurance. It is important that you purchase travel insurance that suitably covers your participation in whatever activities you may undertake at the time that you make your booking. To assist you with this, we have arranged travel insurance in partnership with Holiday Extras. To arrange your travel insurance with Holiday Extras, please call 0800 781 4237 and quote 'WK830' for preferential rates. Please ensure you provide us with the name of your insurer, policy number and their 24 hour emergency contact number as soon as possible. Mercury Holidays will not be liable for any costs incurred by you due to your failure to take out suitable travel insurance from the date of booking.

Tour Guides

This is a fully escorted tour, meaning that you will be met on arrival and will have a guide with you for the duration of your trip, ensuring that you have first-hand knowledge at all times.

Tippling

It is customary to tip both your driver and guide and is at your discretion. We would recommend approximately £2.00 (\$3.00) per person per day in total. This will be collected at the end of your day and can be paid in both local currency and US dollars.

Health and Vaccinations

It is your responsibility to check any health and vaccination requirements applicable to your booked arrangements. We can only provide general information about this. Health and hygiene facilities and disease risks vary from country to country. You should take health advice about your own needs as early as possible and in good time before your departure. Sources of information include; www.fco.gov.uk, www.travelhealthpro.org.uk, www.hpa.org.uk, your General Practitioner or a specialist clinic.

Physical Accessibility

This tour is accessible to most people with an average level of fitness and normal mobility. It involves full days of sightseeing, often on foot and includes some climbing of stairs and getting on and off coaches. This tour is not suitable for anyone with walking difficulties.

Group Size

The minimum number of travellers in your group will be 10, and the maximum will be 35. If in the unlikely event there are less than 10 people booked on your tour date then you may be asked to change to a different date. A full refund will be made available to you should this alternative not be suitable.

Currency Exchange

The currency in Brazil is the Brazilian Real, known as BRL. The currency in Argentina is the Argentine Peso, known as ARS. However, US Dollars are also widely used and recommended throughout both countries and are exchangeable at official outlets. Cash machines are available in all the major cities to withdraw money in the local currency. The Argentine Peso can not be exchanged in the UK.

Credit Card Information

As normal practice you will be asked for your credit card details on check-in at the hotel in order to cover any extras incurred during your stay. If you do not have a credit card you may be asked for a cash deposit. American Express, Diners Club, MasterCard and Visa are widely accepted in hotels.

Personal Expenses

You will need to take some extra money with you to cover lunch and dinner daily as well as to cover any personal purchases such as souvenirs, laundry, and extra drinks and snacks. Approximately £300-£400 will be sufficient for the duration of the tour.

Personal Safety

We recommend that you do not wear any jewellery whilst you are walking around and don't advertise your cameras and phones by keeping them in a bag or pocket where possible. Rio has had a bad reputation in the past for personal security, but this has vastly improved in recent years thanks to far more tourist police and better patrolling of problem areas. Keep cash to a minimum and leave your passport in the hotel's safe.

Itinerary Changes

The order of events and sightseeing may vary according to local conditions or for operational purposes.

The schedules of the domestic airlines in country are subject to frequent changes. For this reason, we have indicated approximate times only. Your local guide will inform you of any schedule changes as they are informed of them. Some road construction and/or weather conditions may lengthen the driving times.
