ITINERARY & DETAILS

This document aims to give you all the information that you require for a smooth and comfortable trip to Chile & Easter Island. Please take the time to read this dossier to familiarise yourself with all the aspects of our tour. It includes important information such as flight information, insurance and visa requirements.

Your included meal guide:

B = Breakfast, L = Lunch, D = Dinner

DAY 1: UK to Santiago

Depart London on your scheduled, overnight flight to Santiago in Chile, via Sao Paulo, Brazil.

DAY 2: Santiago D

On arrival in Santiago, you will be met and transferred to your hotel where you can enjoy the rest of the day at leisure.

DAY 3: Santiago B

Set against a spectacular backdrop of snow-covered Andean peaks, Santiago's sparkling skyscrapers run amidst leafy neighbourhoods and peaceful parks. This morning's tour takes you through the historic heart of the downtown area to the Plaza de Armas, centre of the city's old colonial core and home to the impressive 18th century government palace and the beautiful baroque cathedral. The provincial Santa Lucia Hill reveals the site where Spanish conquistadors founded the city and is now adorned with wonderful facades, fountains and stairways affording far reaching views over the city and mountains beyond.

DAY 4: Santiago & Colchagua Valley B/L

Today your group will journey south along the Panamerican Highway, through the central valley, to Colchagua. Surrounded by majestic mountains, pass through sun-scorched terrain, rolling hills and idyllic vineyards on the way to the sleepy country town of Santa Cruz. The tour continues to a local vineyard to see where some of the country's very best red wines are produced. Located in one of the New World's finest wine regions, enjoy some tastings of award winning cabernet sauvignons and wonderfully rounded merlots before returning to your hotel.

DAY 5: Santiago to San Pedro de Atacama B

A morning flight from Santiago takes you to Calama in the Atacama Desert. Occupying a 1000 kilometre strip of land west of the Andes, Chile's Atacama Desert is the driest place on earth. The resulting eerie landscapes are beautiful beyond belief, boasting unique and unworldly vistas like nowhere else on earth. Wind-sculpted canyons, extinct volcanoes and salt lakes turn from orange to crimson and gold throughout the day before the huge, clear night skies reveal an unparalleled stargazing haven. On arrival, transfer to the oasis town of San Pedro in the heart of this fascinating desert and late afternoon climb the sweeping sand dunes of the Moon Valley to watch a mesmerising sunset.

DAY 6: San Pedro de Atacama B/L/D

This morning you will travel to the incredible Salar de Atacama. Chile's largest salt flat is an immense expanse of thick salt clusters and one of the world's largest lithium reserves as well as home to many native bird species. Cross the crunchy crystalline edge of this immense barren salt basin to the Chaxa Lagoon, where you can get up close to dozens of flamingos foraging in the mineral rich waters. Continuing on, you will reach the nearby Miscanti and Meñique Lagoons. With intense blue-coloured waters, the shimmering lagoons are located at the base of impressive snow-capped volcanoes and command incredible views over the unique landscape. After lunch, return to San Pedro to enjoy the rest of the day at leisure.

DAY 7: San Pedro de Atacama B/L

Rise before dawn to drink your morning coffee at the world's highest geothermal field. Situated some 4,300 metres above sea level in the Andean mountain range, the dramatic craters of Tatio Geysers are one of the regions true marvels. Ringed by volcanoes, over 80 gurgling geysers awake early, forcing fumaroles in multiple vibrant colours high into the air as rays of sunshine pierce the columns of white steam. As the sun warms the earth, you can take a bath in the hot thermal public pools nearby or spend more time walking around these natural wonders. Arriving back in San Pedro, the rest of the afternoon will be at leisure for you to rest or further explore the town at your own pace.

DAY 8: San Pedro de Atacama to Santiago B

This morning transfer to Calama airport for your flight to Santiago. On arrival you will be met and taken to your hotel to spend the evening.

DAY 9: Santiago to Easter Island B

After breakfast you will depart mainland Chile on your flight to Easter Island. This tiny island, formed from volcanic rock in the middle of the Pacific Ocean is the most remote inhabited island in the world. Known as Rapa Nui to its locals, the UNESCO World Heritage Site is unlike anywhere else on earth.

DAY 10: Easter Island B/L/D

Head south along the coast to discover the mysteries surrounding the island that have fascinated travellers and scholars for centuries. Thought to have originally been thickly forested and rich in wildlife, the now barren landscapes suggest a rapid population growth that soon outpaced the island's natural resources. Travel to Ahu Tongariki, the largest Ahu (shrine) on the island to witness the enigmatic moai statues, some of the most iconic images of Easter Island. Believed to have been created as part of a Polynesian tradition to protect the inhabitants, these sublime works of art were carved out of volcanic rock between the 11th & 14th centuries and on a scale seen nowhere else on earth. The tour concludes at the beautiful beach of Anakena boasting soft white sands surrounded by a lush coconut tree forest. Enjoy some free time or take a refreshing swim in the Pacific Ocean's warm waters before heading back to your hotel for a good night's rest.

DAY 11: Easter Island B/L

This morning, drive up the extinct Rano Kau volcano with magnificent panoramic views of the entire island, to the ceremonial village of Orongo. High on the crater's rim, the last stage of indigenous Easter Island culture saw individuals competing here to be crowned as the birdman cult king by scaling the vertical slopes and perilous rocky waters below. Numerous petroglyph images can be found here, thought to represent the winners and worship the god of fertility, Makemake. This afternoon, venture out to explore some more of the nearby shrines and archaeological sites including Hanga Poukhura, where numerous toppled moai reveal an important battle site in Easter Island's turbulent history.

DAY 12: Easter Island B

Today has been left free as a day of leisure for you to relax at your hotel or further explore the surrounding areas at your own pace.

DAY 13: Easter Island to Santiago B

Transfer to the airport to fly to Santiago where, on arrival, you will be met and transferred to your hotel.

DAY 14: Santiago to the UK or Extension B

This morning you will be taken to the airport in time to catch your return flight to the UK, via Sao Paulo, Brazil, or continue on to your chosen extension.
